Tim Leach, GISP  
Presents a Technical Presentation on

**Creating a Geodatabase from the WCCS Survey Database**

Tim will present findings from an MS in GIS at the University of Redlands concerning how the Washington Council of County Surveyor's MS Access database of survey control records can be used by GIS shops with ESRI's geodatabase.

This is an informal, informational presentation hosted by the Washington State Section of the American Congress on Surveying and Mapping.

We have limited room, so please let me know if you plan to attend by forwarding an email to [TimLeach3@comcast.net](mailto:TimLeach3@comcast.net) as soon as possible.

Dinner meeting price is **\$30.00** and  
**\$15.00** for students.
