

WSS-ACSM Dinner Meeting Announcement

Thursday,

17 September 2009

6:00 PM

Angelo's Restaurant

1830 130th Ave NE

Bellevue, WA.

Join us as
John Nagy presents:

Aerials Express 2009: Imagery and Software

Aerials Express is a low cost, licensed copy of digital, orthophotography provided with available county GIS parcels. This product differs from Google Maps as the license allows commercial use and can be referenced from within ESRI, AutoDesk and other software. It contains coverage of large areas useful for planning for detailed photogrammetry, engineering or survey projects and is frequently updated - the result of state-of-the-art Vexcel-Ultracam-X digital cameras and all-digital processing. The resolution is 1 foot versus 1 meter for the National Agriculture Imagery Program (NAIP) imagery.

John Nagy will be demonstrating their latest imagery, coverage, availability and accompanying easy-to-use software.

We welcome members of WAURISA and others within the geospatial community!

This is an informal, informational presentation hosted by the Washington State Section of the American Congress on Surveying and Mapping.

!!!NON-MEMBERS ARE WELCOME!!!

We have limited room, so please let me know if you plan to attend by forwarding an email to ponytrouble@gmail.com as soon as possible.

Dinner meeting price is **\$30.00** and **\$10.00** for students – not including drinks.

Dinner meetings are usually on the third Thursday of the month at Angelo's Restaurant in Bellevue, 1830 130th Ave NE, at 6:00 PM.
