Angelo's Restaurant

1830 130th Ave NE

Bellevue, WA

Join us as
Denise Haugen & Hugh Nelson
from
GeoLine Inc. presents:

What's New with Trimble GPS Equipment?

Geoline is presenting the latest in Trimble Survey and Mapping grade GPS technology for GIS. This presentation will interest those that want to know about the latest mapping grade and survey GPS tools that interface with GIS - from data collection and database design to downloading and processing into GIS. Geospatial professionals will be interested in knowing the differences in capabilities of natural resource, mapping and survey grade GPS tools, as well as relative price ranges of the latest Trimble equipment.

Denise is Regional Sales Manager for the Mapping division at Geoline Inc. and has over 10 years of experience with Geoline Inc., Bellevue, Wa.

Hugh Nelson will be presenting the latest in Survey grade GPS. Hugh has been with Geoline Inc. for over 8 years covering all of Western Wa.

This is an informal, informational presentation hosted by the Washington State Section of the American Congress on Surveying and Mapping.

We have limited room, so please let me know if you plan to attend by forwarding an email to ponytrouble@gmail.com as soon as possible.

Dinner meeting price is **\$30.00** and **\$10.00** for students.
