

# WSS-ACSM

The  
**Washington State Section**  
of the  
**American Congress on Surveying and Mapping**

*Dinner Meeting*  
**Thursday,**  
**17 June 2010**  
**6:00 PM**  
*Angelo's Restaurant*  
*1830 130th Ave NE*  
*Bellevue, WA.*

Join us as  
Larry Signani, PLS, of W&H Pacific , presents:

## From Wilderness to Rail – Building the Northern Pacific Railroad Prior To The Construction of Howard Hansen Dam

A presentation of the history of the Northern Pacific Railroad, including slides of the first Caterpillar D-9 bulldozer in the US and some early Studebaker 4WD trucks. Larry will talk about the surveying and mapping challenges involved in the building of this rail line.

### **NON-MEMBERS ARE WELCOME**

This is an informal, informational presentation hosted by the Washington State Section of the American Congress on Surveying and Mapping.

We welcome all interested parties within the geospatial community!

Dinner meeting cost is \$10 for students, \$30 for members/guests, not including drinks.

We have limited room, so please RSVP as soon as possible with an email to [ponytrouble@gmail.com](mailto:ponytrouble@gmail.com)
